Permit is good from date issued to March 1 of the next year. After that date, the cache must be moved or removed and the new location re-permitted.

We request that you monitor this cache monthly and you maintain it to be family friendly. This means the cache should contain no food, alcohol, firearms, drugs, dangerous items or adult items.

Please do not use ammo cans as cache containers. They may be mistaken for dangerous items by non-geocachers.

We also request that you direct people seeking your cache to follow established trails most of the way to your cache. We discourage off trail hiking as it negatively impacts the environment.

Please forward any questions or concerns to Carly Martin, Naturalist at Look About Lodge (440) 247-7075 or to Geocaching@clevelandmetroparks.com.
